## CURE.

#### Mr. Penny Will Return Money If Hyomei Fails. No Stomach Dosing.

Hyomei has made so many cures of the most chronic and deep seated cases of cacific in this disease

He extends an invitation to all catarrh sufferers to call at his store and purchase a Hyomei outfit with the distinct understanding that it will be absolutely free unless it effects a cure.

The chief reason for the unusual suc cess of Hyomei in the treatment of catarrhal troubles and other diseases of the air passages, is the fact that it cures by a new principle, impregnating the air you breathe with healing and germ-killing balsams On this account it reaches the seat of the disease in a way impossible to pills, drugs or other stomach dosing.

Many of Mr. Penny's customers who have suffered with catarrh since childhood, have been cured completely by this scientific remedy.

The complete Hyomei outfit costs \$1 and consists of an inhaler that can be carried in the purse or pocket, a medicine dropper and a bottle of Hyomei. Extra King's New Life Pills to maintain it. By bottles can be obtained for 50c, making gently arousing the lazy organs they it a most economical remedy for the cure of catarrh.

Do not suffer longer with catarrhal disorders, but get a Hyomei outfit trom Mr Penny under his guarantee to return the money if it fails. You run no risk whatever. If it cures the treatment is not expensive, while if it fails Mr. Penny will lutely nothing.

There is no section of country which offers so many opportunities for profitable investment as the Mississippi pelta which is now fifty described as "Prosperity Valley." The timber is becoming more valuable all the time for the reason that lumber people from the North (where the supply of timber is fast diminishing, are constantly increasing their purchases of timber lands in the South. When the timber is removed the land is unequaled for agricultural purposes. It will produce a bale of cotton to the acre or will grow any other kind of crop raised in the temperate zone. The soil needs no fertilizers and gives a yield which cannot be excelled; taxes are low, the title is perfect and the man who buys Delta farm and timber lands at present prices is making an investment that he will never regret. This land is divided into tracts ranging from 40 acres to the tract to \$16 per acre, according to location, etc. We are authorized by the company who owns these lands to state that as other parties are considering the purchase of these lands that we offer these tracts subject to prior sale, withdrawal from market or change in price without notice. But it is a fact that we are offering a most desirable stock of goods at less than a ten cent basis for the raw cotton. You can see plainly that if the present conditions prevail (and the knowing ones say it cannot be otherwise) that all goods in which cotton is used in the manufacture will be much higher. We are now occupying our two rooms--our old room and the one vacated by the Leader. In the old room we have a good line of Staples at VERY LOW PRICES, and a lot of short lenghts and odd lots that we want to close out and the prices areastonishingly low. #### FEMALE WEAKNESS

542 1-2 Congress St.

PORTLAND, MAINE, Oct. 17, 1902.

I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Pains would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

Wilhelmina Smow reasurer, Portland Economic League

Periodical headaches tell of fe-male weakness. Wine of Cardui cures permanently nineteen out of every twenty cases of irregular menses, bearing down pains or any female weakness. If you are discouraged and doctors have failed, that is the best reason in the world you should try Wine of Cardui now. Remember that headaches mean female weakness. Andy James will leave March 1st for New Albany, Ind.

Rev. James Barnes, of Mt. Vernon, visited his sister, Mrs. Smith Baker, last week and preached a splendid sermon at Mrs. Sallie Baker's Sunlay.

A few of the citizens met Tuesday and made a start at the foundation of a church. Easy it would be to build one if the people would all try, but one waits for the other to help, instead of everybody going and doing all the work they can.

There is a great deal of sickness in our vicinity. Jimmie Livingston is very sick with typhoid fever. Mrs Smith Baker is very low of consump tion. Mrs Will James is reported sick Miss Linda Collins is very low of consumption. Eugenia Lee, little daugh ter of E. O. Singleton, is sick. Louis Whitt went to Cincinnati and Louis ville last week. He also made a trip to Lebanon Junction Tuesday.
